Dear students and parent/guardian(s),

Considering recent decisions by the district, we will be moving to online instruction until further notice. We as a 7th grade team have decided that Canvas is the platform to house our learning instruction. We will be posting announcements and weekly updates throughout the week. Please check the announcement tab on the home screen in Canvas. As a reminder, load portal.office.com using your school email and password and locate the Canvas app. Students are expected to complete the module open on Canvas for the current week. Be sure to look at due dates for this module. The module will close on the Thursday of this week. If you have questions, concerns, or need help with your assignments, please contact me any time between via e-mail stormy.heinz@psd201.org, or via Teams. If one to one instruction is requested via e-mail, we will make arrangements on an individual basis. I will be checking my e-mail regularly Monday-Thursday from 8 a.m to 4 p.m. Please don't hesitate to contact me if you have concerns or questions.
