

6th grade English

Dear Parents and Students,

Until we can meet as a class, we will be moving to online learning.

Our 6th grade English class will be completing the assignments through StudySync. Each Monday, the assignments for the week will be available for you to access. The work will be due Thursday at 4:00 PM of the same week. If it's not finished, it will be docked points because it is late. I will post announcements through your school email, so please check it often.

As a reminder, go to Preston Junior High's homepage and click on Clever. You can also retrieve your email and get into Clever (McGraw Hill) if you click on Office 365.

If you have questions and/or need help, please send me an email. I will be checking it regularly, Monday-Thursday 8:00 AM to 4:00 PM.

Thank you,

Ms. Fife

8th grade Health

Dear Parents and Students,

Until we can meet as a class, students will need to use their 8th grade Teen Health book that was issued to them at the beginning of the semester. Your child will read the assigned pages each week and answer questions at the end of the unit. Once it is completed, they will send their responses to their teacher through email. This must be completed by Thursday at 4PM of the assigned week. If it's not finished, it will be docked points because it is late.

Please check your school email every Monday, because that's where you will find the assignments and instructions for the week.

If you have questions and/or need help, please send me an email. I will be checking it regularly, Monday-Thursday 8:00 AM to 4:00 PM.

Thank you,

Ms. Fife
